## ABOUT ME

I'm a front end developer ready to enter the professional leagues. I am an enthusiastic, friendly, and driven coder. I care about clean and maintainable code and I genuinely love to learn. I'm currently looking for the right opportunity to work in an environment that will help me progress in my developer journey.

## SKILLS & ABILITIES

- HTML 5
- CSS3/SCSS
- Javascript/ES6
- Node.js/Express
- Vue.js
- Vuex
- Bootstrap/Vuetify/Materialize
- RESTful & API
- MongoDB
- Webpack
